

## College Internship / Co-Op – St. Louis, MO or Chicago, IL

ABNA is seeking highly motivated individuals for our **Summer Internship Program** located in our [St. Louis, MO](#) or [Chicago, IL](#) locations.

ABNA is a full-service engineering firm, with 60+ team members committed to exposing students to all facets of the world of Engineering Design, Land Surveying, and Construction. Our internship program provides involvement with real-time projects, while providing hands-on experience granting students a competitive edge.

**Number of hires for this role:** Five (5)

### Program Objective:

Over the course of our 10–12-week internship experience you will have the opportunity to:

- One of the greatest take-a-ways of this internship is the opportunity to learn. Gaining the skills and knowledge to become a future leader in Civil Engineering, Structural Engineering, Transportation, Survey, Construction Services, and Business Operations.
- Work directly with a mentor in your field of study, on real-life projects, to find solutions to design and construction challenges.
- Participate in discussions and engage in leadership development that will help you tackle industry issues and situations.
- Experience our company culture up close by touring our facilities and participating in the end of summer company-wide staff presentation.
- Build a lasting professional network through engaging activities in the Architectural/Engineering (A/E) industry.

### Basic Qualifications (Required / Skill /Experience):

- All positions are expected to be 100% onsite. The selected candidate will be required to work onsite at one of the listed locations.
- The candidate shall also be able to pass a background investigation.
- Must be a U.S. Citizen or have student/work Authorization.
- Excellent oral and written communication skills, professional demeanor, and commitment to customer service.
- Ability to multi-task, demonstrated ability handle a variety of projects with competing priority.

### Preferred Qualifications (Desired Skills/Experience):

- Previous internships or work experience.
- Involvement with student / civic organizations
- Passion for the A/E Industry, interest, and enthusiasm for a career with ABNA.

## Position Type and Expected Hours of Work

This is an in-person, seasonal, full-time position. Days and hours of work are determined by need, however, generally practice is **Monday through Friday, 8:00 a.m. to 5:00 p.m.**

## Physical Demands

Candidates must have the ability sit or stand extended periods of time, depending on assigned department, lift 5-20 pounds, open filing cabinets and bend, stand, walk, reach, or climb stairs as necessary both in the office and at offsite locations.

**Location:** [St. Louis, MO](#) or [Chicago, IL](#)

**Salary Range:** Competitive & Commensurate with Experience
